

# Wounds Stop Here.

With more than 60 years' combined experience in treating *chronic wounds* and *infections*, Walton Wound Care and Infusion Center's physicians stop wounds and infections in their tracks.

Our advanced techniques help patients with:

- Diabetic wounds
- Arterial ulcers
- Post-surgical wounds
- Pressure ulcers
- Cellulitis
- Osteomyelitis
- Venous ulcers
- Trauma
- Infections

*Now accepting new patients. Call today for an appointment or screening.*
